

## **BASANT VALLEY PUBLIC SCHOOL**

**SECTOR - 46, GURUGRAM**

**CIRCULAR - 1**

**Dear Parents,**

**Please encourage your children to wear masks, Keep a spare mask in their bags.**

**Also keep a small sanitizer bottle in their bags. We'll keep reminding them to use it at regular intervals.**

**Also send water bottle, so that child didn't share anything with other child.**

**In case the child has fever, cold, cough, etc, please do not send the child to school. Rest and getting better is more important.**

**Your support will help us staying safe. We all need to make small adjustments for safety.**

**Regards**

**BVPS**
