Note – Summer Vacations will be from 20<sup>th</sup> May 2024 to 30<sup>th</sup> June 2024 and School will reopen on 1<sup>st</sup> July 2024. Kindly submit the Holiday Homework by 2<sup>nd</sup> July 2024.

Dear Parents,

### **Happy Summer Vacation!**

The students and the entire family waits for these vacations. It's the time to visit new places and meet extended family members. Enjoy your holidays to the maximum and make the best use of them.

Since the break is long, students might forget lot of things which they have learnt in the new class therefore holidays homework is given.

Dear Parents the homework has been prepared keeping in mind the need and capabilities of all the students at large.

It will be highly beneficial if entire homework is done regularly rather than at the end in hurry.

Most of the activities given are related to the topics given in textbooks, kindly make your wards do all the activities and let them do it themselves with minimum supervision. Let's shape a self-reliant and independent child.

Summer vacations are the best time to develop the habit of reading and improve the handwriting of a student.

Teachers have recommended few storybooks, kindly buy them or you can buy others also, whichever you feel your ward will love to read. Create an environment where child loves to read storybooks.

Let your child choose the books. Appreciate the child when he/she tries to read. Motivate them to read storybooks before sleeping every night. Let this habit continue throughout the year.

Help your child learn Tables for faster math's calculations.

The three things i.e., reading, writing and tables will keep reaping fruitful results for the years to come.

### Some of the suggested activities for your child are -

- 1. Get up early in the morning and see the rising sun.
- 2. Go for a nature walk.
- 3. Feel the fresh air take a deep breath and do breathing exercise.
- 4. Hear the birds chirping.
- 5. Water the plants and feed the birds.

### **Tips for summer Break**
