**SUMMER HOLIDAY HOMEWORK
SESSION: 2021-22
CLASS-3rd**

Dear Students,

Hope you and your loved ones are in a cheerful position and coping well through these strange unprecedented times.

Summer vacation is a time full of fun and enjoyment. We have planned some interesting work and activities to make your summers full of creativity.

- It is best to have a regular wake-up time and bedtime.
- Start your day with some exercises and yoga postures that you have learnt during fitness sessions.
- Keep an activity log of all your activities.
- Make your own time-table.
- Be active and help your parents in household chores.
- Limit screen time-TV, computer, and video game to the least.
- Engage in some activities like cooking, painting, dancing, singing, etc.
- It is the best time to wear your thinking caps and try your hands at DIY activities and sharpen your scientific skills.
- Spend quality time with your parents, grandparents and siblings and imbibe good mannerism and values from them.

Keeping this in mind, we have designed the Holiday Homework which help to create a nurturing and creative environment for your child. It would teach your children to work independently and would improve their basic academic skills, such as reading, writing, and spellings and would help them develop personal skills and time management.
