SUMMER HOLIDAY HOMEWORK
SESSION-2020-21

CLASS-M-2

Dear parents,

“When the going gets tough, and tough gets going”. When the situation becomes difficult, strong people are able to step up and handle it. We at BVPS-46, have a firm belief that our dear students too are strong individuals and are going to make the best of their time during this pandemic. To channelize their energies in the most constructive way and to foster their imagination further, we want them to look deep within and also understand and know the people and things around them better when they are still within their sweet abodes.

Keeping this in mind, we have designed the Holiday Homework which help to create a nurturing and creative environment for your child.
