### SUMMER HOLIDAY HOMEWORK SESSION-2020-21

To channelize their energies in the most constructive way and to foster their imagination further, we want them to look deep within and also understand and know the people and things around them better when they are still within their sweet abodes.

Keeping this in mind, we have designed the Holiday Homework which help to create a nurturing and creative environment for your child. It would teach your children to work independently and would improve their basic academic skills, such as reading, writing, and spellings and would help them develop personal skills and time management.

Take a story every week, based on that story do one activity every day.

# For example:

**Day 1:** Read the story

Day 2: Talk about questions like which was your favorite character in the story and why? What other end can we give to the story? What moral values have we learned through the story, what other character you would like to be the part of the story etc.

**Day 3:** Create your favorite character using waste materials/you can also draw it.

Day 4: Do some research about your favorite character. (Eg: if a story has hen, what type of creature is it, what it eats, where it lives, etc.)

**Day 5:** Make a list of the new words, and try to build sentences using these words.

**Day 6:** Narrating the story in sequence.

After the summer break, a child can choose his/her favorite story and share the same with the help pf props or picture cards with the Class Teacher and peers.
